(Name of Quality /title) – (Paragraph এর নাম)

[TOPIC] is the most valuable and powerful element of our success in life. It enriches self-confidence of our running life. If we want to reach of our aim we must attain such quality. [TOPIC] is need to have for mental faculty. [TOPIC] is the necessary qualification to become a good human being. It is the ability to speak the truth when being governed by traitors. [TOPIC] can bring out reward for human beings. It is important to have [TOPIC] to retain the existence of human beings. Without [TOPIC] anybody cannot achieve anything great and glorious. A man can lose his prestigious life for its absence. Most of the greatest persons have gained success by it. [TOPIC] is a kind of knowledge which no training can teach. [TOPIC] broadens our outlook. Everybody wants to depend on someone or the other. However, we depend on those who we intrinsically trust. It often happens that we believe in someone who will remain loyal to us. In most cases, we choose our close relatives, especially parents, as caretakers of our belongings. Therefore we should have this quality at any cost. This is a sign of a person's strengthened character.
