**(Name of problem/title) – ( Paragraph এর নাম)**

[ TOPIC ] is now a burning question in Bangladesh .It has become a great problem in our country. It has harmful effects which we are facing day by day. As a result, we are falling backward in both personal life and social life gradually .There are various causes of it. Firstly , most of the people of our country are uneducated and unconscious of (name of problem- [ TOPIC ] . We are not conscious of our acts .We cannot differentiate between right and wrong. As a result [ TOPIC ] has become more dangerous for us. Secondly, our government is also responsible for this vital problem. There is no essential step to reduce [ TOPIC ]. It is our political unrest which always makes us busy in some vogue activities .Essential steps in this case are not also active from the government body .This is why, our problem of [ TOPIC ] seems impossible to be solved . But ,the problem of [ TOPIC ] is not out of solution .It can be solved if we try our best. Government should be strict to control. We should not blame others but us .The law forces agencies should arrest them who are creating this kind of problem. Anyway [ TOPIC ] should be stopped as soon as possible in order to gift our next generation [ TOPIC ] free country. People Awareness should be also created to Stop [ TOPIC ]. In this way we can build up a Bangladesh without any [ TOPIC ]. We all have to help to make this passage successful.
